Head teacher: Ms E Davies

27<sup>th</sup> April 2023

Dear Parents/Carers

The 11 plus exam for 2024 entrance will be held on Friday 15 September 2023 – this is the first year we are testing on a weekday and children who sit the test will be given an authorised absence from the primary school. The test will be taken at one of the borough's grammar school. More details will be available on the Redbridge website.

**IMPORTANT:** They are no longer using CEM and the new supplier for the 11+ 2024 test is GL Assessment. This will be the first year they are using GL – it is important for families to know this as many families have their children tutored to sit this test and many are still under the impression that they are using CEM.

Registration will open on 1 May and will close at 5pm on 30 June 2023 – this is a strict deadline. It is not possible to register before or after these dates.

Parents must register their child when they are in Year 5 during the above registration dates on the below link.

Children will sit this exam when they are in Year 6.

The test is based on a child's natural ability (meaning they do not need to be tutored) and there is no fee for a child to sit this test - it is free to all regardless of whether your child is claiming pupil premium.

If you would like further information, please follow the link:

<https://www.redbridge.gov.uk/schools/redbridge-11-plus/>

The registration link will be added to this page on 1 May 2023.

This information will also be available on Redbridge social pages on Twitter and Facebook closer to the registration period
