Dear Parents / Carers

RE: Help Your Child to Succeed! (e safety training)

Use of social media and apps can have a negative impact on your child's wellbeing and also their ability to focus in school, I am pleased to tell you that we can help. The 2 Johns will be visiting Mayespark on 13th July to deliver a workshop with KS2 children and parents.

The 2 Johns were Police Detectives and are experts in the online safety field. Every year, they work in hundreds of Primary and Secondary Schools interacting with Children, Teachers and Parents to raise awareness of online safety.

The school day will consist of an online assembly and a workshop where children will learn about how to stay safe online in an engaging manner to support individuals.

At the end of the school day, the 2 Johns will be leading a meeting for parents at 3:30pm in the downstairs hall. During this meeting, they will inform you about how to support your child, and raise awareness about platforms that could pose a threat to your child. Children will not be able to attend the meeting, however, we will provide a facility in the school where staff will be able to look after them during the meeting.

We do hope you can attend.
