Rocksteady School of Music

Dear Parents and Carers,

We have a wonderful event happening on Monday 14th November where the Rocksteady School of Music will be visiting Mayespark Primary School.

The Rocksteady School of Music will be delivering a performance as well as a workshop where children will have an exciting opportunity to explore a range of musical instruments such as guitars, drums and keyboards.

The music school are offering children at Mayespark an opportunity to form their own bands by taking part in musical instrument lessons once a week. These lessons will happen during the school day. By being part of a band, your child will not only develop their musical knowledge but also contribute to a range of learning skills such as increasing their confidence and teamwork abilities, give them responsibility for their own learning, develop their listening and communication skills and also boost your child's wellbeing. These will all in turn then go on to support your child's learning and academic progress.

Information on how to sign your child up with the Rocksteady School of Music band lessons will be sent to you early next week. As you can imagine this is a really exciting opportunity for your child and I believe the demand to take part will be high. Therefore, I would suggest that you sign up for the lessons as soon as possible as places are limited and will be on a first-come, first-served basis.

Yours sincerely,

Mrs Bhogal
Music Lead
