Exploring, listening and then creating pentatonic melodies and composition in preparation for the Chinese New Year

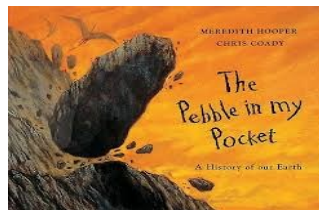

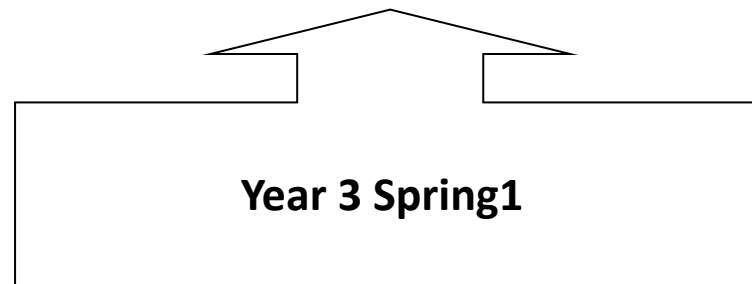

## Big Issue :

**Could I have lived in the pre-historic Britain?**

## Text

**The Iron Man by Ted Hughes**

## Educational Event– STONE AGE DAY

## English

Learning to empathise with a character through role play and drama. Reading and writing poetry. Writing narratives inspired by science fiction.

## Science

Learning to identify different rocks, soils and fossils. Exploring different layers of the earth and understanding how fossils are made.

## History

Learning to name and sequence different time periods. Understanding how life in Britain evolved from Stone Age to Iron Age. Analysing and deciding which period of pre historic Britain we would like to live in. Providing reasons to justify our choices.

## French

Learning to use French vocabulary to describe colour. Being able to share our favourite colour using French.

## Ways in which you can support your child at home...

Below is a list of activities available on different websites we subscribe to as a school, for which your child has their own login and password. These activities have been selected for your child to complete this half term, as they support learning in class. If you have difficulty accessing any of the sites, please contact your child's teacher.

### Rocks, Soils and Fossils

### Places to visit

We are very fortunate to live in an area surrounded by many wonderful places to visit. To support your child's learning this half term, why not consider visiting the Redbridge Museum, situated within the Central Library in Ilford. It offers interesting workshops about pre-historic Britain and has a bank of resources and artefacts for children to explore and enjoy. It is also a great place for children to learn about the rare mammoth remains found in Ilford!

### Reading at home

Please make some time to read with your child and comment in their reading record. We expect year 3 children to read for at least 15-20 minutes six times a week. Please remember to record page numbers when signing your child's reading records. This term, we also would like children to improve their reading skills by practising reading and answering questions on [ReadingPlus Student Login](#)

Your child's password can be found in the back of their reading record. Do speak to your child's class teachers if you have any questions or concerns about your child's reading.
