Tuesday 25th April 2023

Dear Parents / Carers,

On Saturday 6th May 2023, Great Britain will be celebrating the coronation of King Charles III. To mark this special event, at Mayespark, we will be organising an afternoon of ROYAL themed activities on Friday 5th May 2023.

On the day, children are allowed to dress up in 'Royal' clothes (prince/princess, king/Queen) or alternatively they can wear red, blue or white clothes to **match the Union Jack**.

We will also be hosting a '**Royal Tea Party**' in our classrooms, so we request you to send in **nut-free tea cakes or biscuits** and a bottle of **Ice Tea**, either ready-made or made at home and chilled in the fridge. Please send in multi-packs of cakes and biscuits to be shared with other children in class.

There will be varied art and craft activities taking place in school during the afternoon, and children will also participate in a **ROYAL parade**.

In addition to these, there is also a competition, for children to create a **3D Poster of King Charles III's face profile**. Children can use *rice, beans, pasta, plastic lids, beads, crushed or coiled paper, cardboard chips, etc* to add the 3D effect. It can be a size of your child's choice. These portraits need to be made at home and brought in to school on Friday 5th May 2023 and the best entry from each year group will receive a prize.

If you have any queries regarding this, please share them with your child's class teacher.

We are hoping that children will have a memorable day and remember this event for years to come.

Yours sincerely,

Mrs Nangia

Competition Time!

Create a large 3D portrait of King Charles III **on cardboard** – you can use the outline shown as a **guide** (it can be a size of your child's choice). Please use recycled materials or anything easily available at home to create the 3D effects. The best entry from each year group will receive a prize and get their portrait displayed in school.

Please complete and bring in your entry on Friday 5th May 2023.
