Friday 22nd April 2022

Dear Parents / Carers,

This half term, Year 3 will participate in a *Problem-Solving Day* at school.

This will take place on **Friday 13th May 2022.**

We will have professional experts from the Schools Escape Room company come to Mayespark and deliver a **MATHS ESCAPE ROOM** experience, where children will have to use their knowledge of number facts and apply these to crack codes in order to overcome child friendly obstacles.

This will be an important and unique way for children to consolidate learned facts and will also offer an extremely engaging opportunity to learn new ones. The Immersive nature of the escape room encourages even the most reluctant mathematicians to take part, often surprising themselves in the process!

Your child is being offered a discounted price of **£2** for this experience which will need to be **paid via parent pay** by **Thursday 12th May 2022.** Any delay to this may lead to cancellation and the children missing out on this fantastic learning experience

Yours sincerely,

Mrs Nangia, Mr Lawless and Miss Fikret

Y3 Class Teachers
