

Guidance for entry at 11+

Forest School offers approximately 140 places for boys and girls at age 11 in September each year. They will join 40 pupils from Forest Preparatory School to form eight classes in Year 7. Our aim is to have an equal split of boys and girls to create an inclusive, diverse and collaborative learning environment. Competition for places is high; 650 candidates applied for places in 2023.

Requirements for Entry in September 2024

Candidates should have reached the age of 11 before 1 September 2024. Applications must be received by midday on Friday 24 November 2023.

Parents are required to complete the online registration form via our website www.forest.org.uk and submit a non-returnable registration fee of £150 (overseas registrations are £200).

Selection Criteria

- **Digital Entrance Assessment**
- **Interview**
- **Collaborative task**
- **Reference** - a written, confidential report from the candidate's current school.

Familiarisation materials for the entrance assessments can be found on our website: <https://www.forest.org.uk/admissions-overview/11-entry/>

Siblings

Whilst we appreciate the desire to keep families together, parents should be aware that there is no guarantee or expectation that a sibling will be offered a place, if they do not meet the criteria for entry.

Parents of twins or other multiples applying for places together should also be aware that the outcome of each child's application may differ from the other(s).

Likewise, siblings applying at the same time for different entry points may receive different outcomes. However, if we have to decide between two or more candidates who meet our entrance criteria, we may give preference to twins (or other multiples), siblings or children with a particular skill, talent or aptitude.

FOREST
SCHOOL

Taster Mornings

We will hold our Taster mornings on Wednesday 21 February, Friday 23 February 2024 for candidates who have been offered a place at Forest School.

Entrance Assessment Day - January 2024

Pupils applying for a place at Forest will be invited to an assessment day on-site at Forest. This day will run for approximately three hours and will include:

An Entrance Assessment

The entrance assessment which will take the form of digital and written tests. We will provide a device for the applicant to access the digital test. They will also be supplied with scrap paper for working out and notes.

Part One (60 minutes). This section is a digital test and is adaptive, so the questions will get easier or harder dependent on how the prospective pupil is answering them. This section of the assessment is one hour in length. Part one includes:

- **Mathematics**
- **English**
- **Verbal reasoning**
- **Non-verbal reasoning**

Mathematics (non-calculator - 25 minutes).

The maths test has two sections. The first section tests applicants' understanding of concepts from the National Curriculum, while the second section has more playful 'Maths Challenge Style' questions that test their ability to reason, problem solve with curriculum concepts, and adapt to unexpected situations.

English, (15 minutes). The test assesses applicants' comprehension of a non-fiction text, spelling, and grammar. It aligns with the National Curriculum and focuses on skills such as retrieval, drawing inferences, and understanding the meaning of words in context.

Candidates should not be thrown by vocabulary they do not know as one of the things we are assessing is the ability to infer meaning from context.

Verbal reasoning (10 minutes). This section assesses applicants' ability to reason and solve problems with written information. This section will cover:

- Advanced vocabulary and use of language.
- Pattern spotting & making connections to identify rules.
- Thinking critically and using logic to make high-level deductions.

Non-verbal reasoning (10 minutes).

Assesses the applicants' ability to identify patterns and think logically. This section will cover:

- Analysing visual information to problem solve.
- Identifying and continuing patterns.
- Visualising changes in 2D and 3D space.

Part Two (60 minutes). This test section is non-adaptive, so the difficulty level of each question is not based on the candidate's previous responses. It assesses aptitude and provides insight into learning behaviours. Candidates who are intrinsically motivated learners and have the resilience to persevere or consider a problem for a sustained period will likely perform well in this section. Part two includes:

- **Puzzles and problem solving**
- **Creative Comprehension**
- **A written, paper-based, assessment of written English**

Puzzles and problem solving (10 minutes). This section tests the applicants' ability to use words and numbers to solve multi-step problems. They will be provided with interactive resources to aid them during their problem-solving. The skills assessed include strategy, use of resources, trial and error and logical thinking.

Creative Comprehension (20 minutes). The applicant will need to use information from a variety of different sources to answer questions about a bespoke and stimulating context. The information will be given to them in a range of engaging formats so no prior knowledge is needed, and they may have to look at several different sources at the same time to answer questions. The skills assessed include analysis, synthesis, and evaluation.

A written, paper-based, assessment of written English (30 minutes).

There will be one question giving candidates the opportunity to write creatively, either in a short piece of fiction or non-fiction. Here, we are looking for original and accurate writing. Candidates who do well write in an imaginative and engaging manner.

Familiarisation materials for Part One and Part Two of the entrance assessment can be found on our website:

<https://www.forest.org.uk/admissions-overview/11-entry/>

An Interview

To ensure that our entry procedures are rigorous but remain inclusive and fair to all candidates, we will be interviewing ALL registered pupils on the assessment day.

This interview will allow us to conduct a more holistic assessment of the pupil and to understand whether Forest would be the appropriate setting for them to grow and thrive. The interview will focus on personal development and will be conducted by a senior member of Forest staff lasting no more than 20 minutes.

A Collaborative Task

Students will take part in a collaborative group task. This will assess their ability to work with peers to explore a problem and consider possible solutions. The task will culminate in a presentation of ideas.

FAQS

What about candidates eligible for extra time?

Candidates eligible for extra time will be asked to indicate their entitlement at the point of application to Forest School. This additional time will automatically be added to the timer visible on their screen for each section of their assessment.

Why is the entry assessment going to be online? Will this not put candidates not used to typing at a disadvantage? What type of device will candidates use?

Many secondary schools are now running online assessments, which is becoming common practice. There is no extended typing exercise required so typing ability will not impact on results. Putting the assessment online significantly reduces the risk of human error, leading to results we can trust.

The entry assessment can be taken on many different types of devices including iPads, PCs, laptops, and chrome books. The device used will not make any difference to a candidate's performance. Forest will supply a device on the day to the candidate and there will be opportunity for them to familiarise themselves with the device.

My child is an overseas applicant. Where will they take the assessment?

Your child is welcome to travel to sit the assessment at our school. If you would prefer your child to sit the assessment overseas, please contact our Admissions team to find out how to proceed. Candidates who are living overseas may take the assessment under exam conditions at their current school or at a test centre.

How much preparation does my child have to do for the entry assessment?

Candidates look at the familiarisation materials provided on our website. Beyond that, our assessments will test knowledge based on the National Curriculum and candidates will need to know how to read an extended comprehension passage to answer questions on it.

These are all skills that your child will be developing in school, so they will not need any special tuition or intensive practice. Instead, they are encouraged to read widely and engage in activities that inspire curiosity for the wider world.

What is the purpose of this style of assessment?

The style of assessment is designed to discourage excessive tutoring and instead find a way to measure children's genuine intellectual curiosity, passion, and enjoyment for learning.

The new assessment aims to go beyond testing cognitive ability by seeking to discover a child's potential in creative and critical thinking, analysis, synthesis and problem-solving. With this forward-thinking approach, we aim to create a fair and holistic assessment process that engages a wide range of learners and is more reflective of the values and education that Forest so cherishes.

Scholarships, Bursaries and Assisted Places

Scholarships

Academic, Music, Sport, Drama and Art Scholarships are offered at 11+ entry. Academic Scholarships are awarded based on a combination of exceptional performance in the entrance assessments and a scholarship interview and, once awarded, are subject to annual review.

Academic, Music, Sport, Drama and Art Scholarships are not means tested and are awarded in percentage increments up to 20% of full fees.

20% of full fees is the maximum non-means-tested fee remission awarded in respect of any one pupil, whether in one area of excellence or in a combination of one or more areas of excellence.

Our non-means tested Scholarships will be subject to ongoing review.

Academic Scholarships

Following the Entrance Assessment Day, high-achieving applicants will then be invited back to Forest for a scholarship interview.

Bursaries

Bursaries are means-tested and are awarded in conjunction with Scholarships, up to and including the total remission of fees; in other words, a free place.

Bursary awards are conditional on a candidate first meeting the criteria for either an Academic, Music, Sport, Drama or Art Scholarship (or combination of these). In other words, Bursaries are only awarded in combination with a Scholarship fee remission (which as above are awarded in increments up to a maximum of 20%).

Parents are asked to refer to the income bands on the School website to determine eligibility for bursarial assistance.

Assisted Places

In addition to the bursary money offered in conjunction with a scholarship as outlined above, we also offer separately up to seven 11+ Assisted Places annually. These will be offered as free places (i.e. 100% fee remission).

They will be awarded to pupils who meet the financial criteria for 100% fee remission and demonstrate the most potential to benefit from an academically challenging all-round school like Forest.

These places do not rely on qualification for a Scholarship of any kind. Please visit our website for more details.

MUSIC

Music plays an essential part on creating the character of any young Forester. Our emphasis is on fostering creativity and providing award holders with the tools they need to succeed as developing musicians. Scholars lead from within as well as right from the front as ensemble members, orchestral players, choristers and soloists.

Music Scholarships at 11+ for 2024

The music department at Forest School is thriving, offering a broad and varied curriculum and access to specialist teachers of every instrument from violin to electric guitar, classical and modern vocals and a wealth of ensembles, choirs, orchestras and bands to participate in.

Many of our visiting teachers also teach at the junior and senior departments of the London conservatoires; some are also ABRSM examiners. All are committed professional musicians and many perform with some of the most well-known ensembles and orchestras in the country.

The opportunities at Forest allow pupils to explore music beyond the classroom, gain exposure to different styles and genres, and develop their own unique musical voice. Music Award Holders form the backbone of this provision. It is a wonderful environment to contribute and develop into the best musicians they can possibly be!

Entry - What we look for

Although we are looking for future potential and ongoing commitment, rather than past achievement, pupils who receive 11+ Music Scholarships are generally of the following minimum standard: Grade 4-5.

We ask that all new Music Scholars joining the School at 11+ continue with Music as an academic subject until at least GCSE.

All recipients of a Music Award are expected to contribute fully to the musical life of the School, which will be monitored in an annual scholarship review meeting.

Applications

- Application can be made by ticking the appropriate box on the online registration form.
- Candidates will then be sent a link to an online music application form, to upload copies of mark sheets from their most recent practical examinations taken and any competitions entered.
- A music report from each instrumental/vocal teacher should also be attached - this must include an assessment of the candidate's musical ability, experience and potential for the future.

Auditions

On Friday 8 December 2023 all registered music scholarship candidates will take part in a Music Day at Forest School. This is an excellent opportunity for potential Music Scholars to experience music at Forest and gain familiarity with the teachers and environment of the Music Department before the auditions in January 2024.

Candidates who impress the Director of Music and the music specialists on 8 December will be invited back for an individual Music Scholarship Audition on Tuesday 23 January 2024.

Applicants should offer performances on at least one instrument (which may be voice) and will be asked to sight-read, sight-sing and answer questions on music in general.

Please ensure these 2 important dates are ring-fenced in your calendars.

Scholarships are awarded based on the online application form, any reports provided (including exam marks where relevant) and performance at the December Music Day and performance at auditions on Tuesday 23 January 2024.

Pre-Audition advice

The Director of Music, is always delighted to meet with prospective scholars prior to audition in order to assist in preparation for these important events.

All candidates applying for a Music Scholarship must meet the academic standard for entry into the School. The entrance assessments will take place at Forest School on Friday 5 January 2024.

For further information please email the Music School Manager, Mrs Valentová:

Jana Valentová
jvalentova@forest.org.uk

ART

Art holds a special place at Forest and creativity is in the school's bones. The subject is taught by experts who have a deep understanding of Art pedagogy and practice.

Art Scholarships at 11+ for 2024

The department is thriving and the curriculum is both broad and varied with the discreet subjects of Fine Art, Photography and Textile Design being offered at GCSE and A-Level.

We also offer a range of super-curricular opportunities in the arts including clubs, artist visits, trips to museums and galleries both locally and abroad, and life drawing.

These factors all ensure that Art Scholars are provided with outstanding support enabling them to thrive as developing creative practitioners.

Entry – What we look for

Forest Art Scholars will show a natural propensity for art in one or a variety of mediums. They could be exceptional painters or photographers, be skilled potters or have a strong sense of fashion design and a love of textiles.

Regardless of their preferred artistic style we are looking for potential, talent and a dedication to the subject.

In the assessments the candidates will have the opportunity to explore and demonstrate their ability and their general understanding and appreciation for art.

Our Art Scholars will have access to many opportunities throughout their time at Forest to develop not only their art skills but their wider understanding of the genre and various disciplines.

Applications

- Application for an Art Scholarship can be made by ticking the relevant box on the registration form.
- Candidates will then be sent a link to the online art application form, which will ask for detailed reasons why an Art Scholarship is right for your child.

Assessment

- First-round of assessments will take place on Wednesday 6 December 2023.
- Shortlisted candidates will be invited to an assessment on Monday 22 January 2024.

Please ensure these 2 important dates are ring-fenced in your calendars.

All candidates applying for an Art Scholarship must meet the academic standard for entry into the School. The entrance assessments will take place at Forest School on Friday 5 January 2024.

For further information for Art, please email *Isabella Gilpin*, IGilpin@forest.org.uk.

DRAMA

Scholars who receive scholarships or exhibitions will serve as esteemed artistic ambassadors, representing the excellence of our Drama students and actively engaging in our co-curricular theatre program.

Drama Scholarships at 11+ for 2024

Drama lies at the heart of Forest School, evident through our thriving GCSE and A Level courses. As scholars, they will have the exceptional opportunity to participate in a diverse array of productions and performances, including whole school musicals, classical plays, short films, and even directing and producing their own plays. They may contribute as performers, directors, technicians, or stage managers, and may also take on responsibilities such as front-of-house staffing and backstage work.

Over the years, we have seen a steady stream of actors, technicians, and theatre makers from our school who have gone on to make significant contributions to the artistic community.

During their tenure at Forest School scholars will partake in workshop-style clubs led by our expert Drama teachers, as well as recognised theatre practitioners, nurturing a profound appreciation for Theatre and honing their technical acting skills.

We also offer a range of theatre trips, both domestically and internationally, taking full advantage of our proximity to outstanding theatrical venues. This allows our students to witness an extremely diverse range of performance styles, broadening their horizons and enriching their theatrical experiences.

For further information for Drama, please email *Isabella Gilpin*, IGilpin@forest.org.uk.

Applications

- Application can be made by ticking the appropriate box on the online registration form.
- Candidates will then be sent a link to an online drama application form, to explain their experience and/or passion for drama and theatre.

Assessment

- First-round of auditions will take place on Wednesday 13 December 2023.
- Shortlisted candidates will be invited to auditions on Monday 22 January 2024.

Please ensure these 2 important dates are ring-fenced in your calendars.

All candidates applying for a Drama Scholarship must meet the academic standard for entry into the School. The entrance assessments will take place at Forest School on Friday 5 January 2024.

SPORT

Forest School has a long-standing tradition for excellence when it comes to sport.

Sport Scholarships at 11+ for 2024

Entry - What we look for

Successful candidates must be able to demonstrate significant potential to perform at a high level and, ideally, each candidate must excel in one of the major School sports (football, hockey, netball, cricket, swimming and athletics).

As a guide, candidates will usually be performing at regional, county or district level or equivalent, however, we understand that some candidates may not have had this opportunity at this age.

Applications

Application for a Sport Scholarship can be made by ticking the relevant box on the registration form.

Candidates will then be sent a link to the online sport application form, which will ask for detailed sporting achievements.

Assessment

- Candidates will choose to be assessed in two of the School's major sports and will also take part in other sporting activities in order to assess athletic potential.
- Candidates online sport scholarship application form with details of sporting ability and involvement.
- Assessment will take place on Thursday 7 December 2023.
- Shortlisted assessments will be held on 25 January 2024.

Please ensure these 2 important dates are ring-fenced in your calendars.

All candidates applying for a Sport Scholarship must meet the academic standard for entry into the School. The entrance assessments will take place at Forest School on Friday 5 January 2024.

Scholarships are awarded based on performance in this entrance assessment plus the online application combined with performance on the day.

All recipients of a Sport Scholarship are expected to contribute fully to the sporting life of the School in all three terms of the academic year, which will be monitored in an annual scholarship review meeting.

For further information please email the Sport Administrator,
Nicola Okey, Nokey@forest.org.uk
