Dear Parents/Carers,

Household Support Fund – November 2021 – 31st March 2022

The 'Household Support Fund' has been set up to support those families who are most in need this winter. The funding is available to those families who are in hardship and are struggling to afford food, energy, water bills, and other related essentials.

If you are a family in crisis and would like some financial support this winter please get into contact with the school and arrange an appointment with Sheila Permal. There is an online application that will need to be completed by Sheila for the funding to be approved.

We understand that it can be difficult to come forward, but please be assured that the work we do with our families is done sensitively and kept strictly confidential.

Yours sincerely

Mr Abdul Muquith
Assistant Headteacher – DSL & Inclusion
