To all parents and carers in Year one

17 January 2022

Dear Parent / Carer,

On Friday I sent a message to all parents in Jeffers class as they had three cases last week. The testing has found five additional positive cases in that class. The total number of cases in that class has now reached nine. **Please test your child tonight if you can**, this will help us to find asymptomatic cases and stop the spread in school.

Cases have been very low in Hughes and Harrison classes but it is important that we remain vigilant and the only way to do this is to test the children.

If you have not yet tested your child **please do so as soon as you possibly can**. Lateral flow tests are available from the government on this link <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

In order to protect the other classes and teachers we have put the following measures in place:

- no interventions taking place where children mix with other classes
- no children from Jeffers class will be allowed to attend after school clubs
- if children from Jeffers attend Shine they will be kept separate from other children
- year one classes and corridors will be subjected to additional cleaning
- adults will be encouraged to wear masks when in close contact

I am hoping that these measures will stop the spread in school and will only need to be in place for the next two weeks. I will monitor cases carefully and write to you again in two weeks.

Thank you for your continued support.

Yours faithfully

Ms E Davies
Headteacher
