Dear Parents / Carers

As part of the school's RSHE curriculum, the children will be taught lessons on the unit 'Changing Me'. We had mentioned previously that we would make resources available for parents and carers to view. We are now pleased to offer you the opportunity to see the resources which were agreed during our consultation process.

I would like to remind you that some lessons taught during this time are those included in the science curriculum which is statutory.

If you wish to view them, they will be made available from Tuesday 6<sup>th</sup> December - Wednesday 14<sup>th</sup> December. They will be available from the main school office between 9.00am and 10.00am each day.

We are unable to offer copies of the resources to take home as they will be used as part of a planned lesson by your child's class teacher to enhance the learning, not as the only means of teaching. You will find further information about our agreed RSHE curriculum, on the Mayespark Primary website.

Thank you for your continued support.

Yours sincerely

Ms P Juffs  
RSHE subject leader
