Wellgate Farm visit

Dear Parents / Carers,

Next term we will be learning about 'Animals'. In order to make the learning as vivid and exciting as possible, we have arranged for Wellgate Community Farm to bring some animals (rabbits, sheep, lambs and goats) into the school playground.

This will provide the children with the opportunity to see these animals first hand and touch them if they wish. Our past experience has shown us that these workshops are very valuable towards the children's education and provides a collective experience for the children to share.

The workshop will take place on **Tuesday 29th April 2025**.

As a school we are subsidising some of the cost but unfortunately our funding does not stretch to cover the whole amount. Therefore, we have divided the remaining cost for the visit/ experience between the children.

The amount per child we would like you to contribute is £4.50, please make the payment through Parent Pay. Thank you for your support in making sure our children have varied and enjoyable educational experiences.

Please fill out the consent form below and return it to the class teacher before Friday 28th March 2025

Yours sincerely,
EYFS Team
