Dear Parents / Carers

As part of the school's RSHE curriculum, in the second half of the Summer term, children will be taught lessons on the unit 'Changing Me'. We had mentioned previously that we would make resources available for parents and carers to view. We are now pleased to offer you the opportunity to see the resources which were agreed during our consultation process in the last academic year.

I would like to remind you that some lessons taught, during this time, are those included in the science curriculum which is statutory.

If you wish to view them, they will be made available from Thursday 9th June - Thursday 16th June. They will be available from the main Reception between 9.30am and 2.30pm each day.

We are unable to offer copies of the resources to take home as they will be used as part of a planned lesson by your child's class teacher and will be used to enhance the learning not as the only means of teaching.

Thank you for your continued support.

Yours sincerely

Ms P Juffs

RSHE subject leader
