Dear Parents / Carers,

As a school there are many changes we have needed to navigate over the past few years. One of these is the pausing of all whole school community events. As we look to move towards a sense of normality, I am really pleased to be able to inform you that we are looking to relaunch Friends of Mayespark!

Friends of Mayespark currently consists of a very small group of parents who in the past have organised various different events such as Movie Night, Christmas Discos, Toddlers, Year 6 BBQ, International Fair... the list goes on! As we look to plan future events, we very much want to strengthen Friends of Mayespark and hope you will consider playing a part in this.

Everyone is welcome to get involved in Friends of Mayespark including parents, carers and grandparents. If you are interested in helping to organise future events or just want to find out more, please consider attending an informal get together **on Thursday 24th February at 9:10am**. Please note that this is subject to change depending on the number of COVID cases in school after half term. This meeting will be with myself and current members of the Friends of Mayespark team, young children are welcome. I appreciate that some working parents may find this timing difficult. If you are unable to make this time, it does not exclude you from getting involved as there are many different ways in which you can support. If this applies to you, please complete the slip below and return it to the school office.

I look forward to seeing you,

Mrs Ige
