Dear Parents / Carers,

I trust you are having a good start to the week.

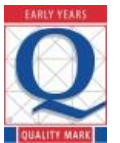

As a school we are pleased that your child is able to benefit from our after school club provision. To help children regain some energy after a long day at school, we permit them to bring a snack to eat before their club. Children's snacks should be healthy, for example an oat bar, crackers or a piece of fruit. All snacks should be of child-sized portions and sweets are not allowed.

Please note that for obvious reasons, your child will not be able to share their snack with other children. Once your child's class has been dismissed, your child will be able to eat their snack on the way to their club.

If you have any questions regarding this, please do not hesitate to contact me.
