

## Maths

Measurement: mass, capacity and length/height

Time

Position and direction

Statistics

## Computing

Learning how to keep safe online.  
Exploring animation using scratch.

## RE

What ways are places of worship important to believers? Children will visit a local church and observe the features of a church.

## RSHE

Changing Me - recognising cycles of life in nature.

## PE

Outdoor: Taking part in trials, teamwork, developing trust.

Indoor: Dance—exploring friendships

## Art

Children will learn about portraiture. They will analyse the portraits of Tudor monarchs and compare Tudor portraits and selfies today. They will use photo editing software to create royal portraits.

## Text

### **Greenling by Levi Pinfold**

Visit - Local visit to nearby Church

**Year 2 Summer 2**

## English

Children will be writing stories based on the main character from the book. Predicting different outcomes and linking this story to others they have read. Giving their opinion on what the characters do in the story.

## Science

Children will learn about growth in animals by exploring the life cycles of some familiar animals. They will build on their learning about the survival of humans by identifying the basic needs of animals for survival.

## History

Children will look at the Victorian period on a timeline. They will use sources to find information about Queen Victoria and other female figures to discover what they achieved and why they are remembered.

## Music Traditional Western stories

Children will be introduced to the instruments of the orchestra and practice identifying these within a piece of music. They learn how timbre, pitch and tempo can convey action, emotion and characters.

## Ways in which you can support your child at home...

Below is a list of activities available on different websites we subscribe to as a school, for which your child has their own login and password. These activities have been selected for your child to complete this half term, as they support learning in class. If you have difficulty accessing any of the sites, please contact your child's teacher.

Butterfly Life Cycle

Complete the 2Do's on lifecycles and baby animals to find out more about their life cycle.

Purple Mash

Maths

NumBots

Children can practise their maths skills by logging onto NumBots through wonde.

### Places to visit

We are very fortunate to live in an area surrounded by many wonderful places to visit. To support your child's learning this half term, why not consider taking a trip to the National Portrait Gallery to see portraits across the years.

### Reading

Remember to listen to your child read every night for at least 15 minutes and write a comment in their reading record to show this. It is expected that children read six times a week. Your child will also greatly benefit from you reading a story to them. Goodmayes library is a wonderful place to visit to encourage your child's love of reading. Children can borrow lots of lovely new stories and read a wide range of books.
