17th March 2025

Dear Families,

We are excited to inform you that as part of our next science topic on Animal Survival, we have arranged a visit from *Wild Science*, who will be leading an interactive animal workshop for the children. This visit will provide a fantastic opportunity for the children to learn about animal adaptations, survival strategies, and the diverse ways animals thrive in their environments.

The visit will take place on Thursday 22nd May. As a school we are subsidising some of the cost but unfortunately our funding does not stretch to cover the whole amount. Therefore, we have divided the remaining cost for the experience between the children. The amount per child we would like you to contribute is **£7.85**, please make the payment through Parent Pay. Thank you for your support in making sure our children have varied and enjoyable educational experiences.

Yours sincerely,
Year 2 team
