26th September 2024

Dear Parents / Carers,

This half term, Year 3 are learning about 'The Stone Age'. In order to make the learning as vivid and exciting as possible, we have a company coming into school to provide workshops to all of the children which will enhance their understanding of this historic time period. Learning about the Stone Age is an important part of the KS2 history curriculum and the workshop will enable the children to gain a further understanding about how life then differs from today as well as how we know about this time period. The workshop will take place on Monday 22nd October 2024. The workshops are provided by a high-quality education provider. The cost for attending the workshop is £8.70. 'We appreciate that this a more expensive cost but we used this company last year and the learning and enjoyment that the children gained was excellent. We will also be making sure that two out of the three remaining educational visits we attend this year will be free of charge. **Please pay online using parent pay by Friday 11th October 2024.**

We would also like to invite the children to dress up as a character from 'The Stone Age' to create a fully immersive experience. Please do not feel your child needs an expensive outfit; some ideas of what they could wear is shown below, but anything simple will be fine. Also please keep the weather conditions in mind and ensure that children are dressed appropriately in layers to keep them warm. We are extremely excited about this event and we hope that the children will thoroughly enjoy the day.

Please fill out the consent form below and return it to the class teacher before Friday 11th October 2024.

Yours sincerely,
Miss Roul, Miss Lewis & Miss Ahmed
