Dear Parents and Carers,

As I am sure you are aware, your child will be sitting their end of Key Stage Two SATs in May this year. These statutory tests are set by the Department of Education and given to Year 6 children across the country.

We recognise that parents play an important part in ensuring that our children feel prepared and confident in sitting these tests and therefore, we would like to invite you to a parents' meeting on Thursday 26th January at 3:30pm. At this meeting, our Year 6 teachers and Assessment Leader will unpackage information regarding how these tests are administered and how you can support your child at home.

After we have talked about the upcoming SATs we will then take the opportunity to share some advice regarding how children can stay safe online. We increasingly have incidents reported to us involving children's use of technology whilst outside of school, this is a growing concern for us. As a school we would like to share some tips regarding how parents can ensure their children are using the internet safely. We want to protect the children from being groomed and from being upset by interactions online which have a negative impact on their ability to study and do well in SATs.

To help us plan effectively for this event, please can you complete and return the attached form to indicate whether you will be attending this meeting. On the day, please enter via the school office, the meeting will take place in the upstairs hall.

I look forward to seeing you there!

Yours sincerely,

Mrs Ige
