Dear Parents / Carers,

This term year 4 will have been learning about 'The digestive system' in science. In order to continue to inspire and provide learning outside of the classroom for this topic year 4 will be visiting The Science Museum on **Thursday 30<sup>th</sup> June 2022**.

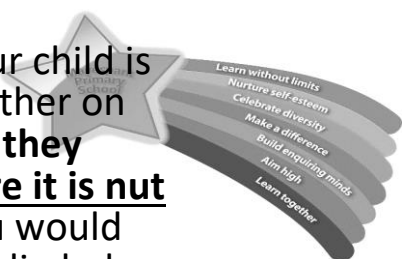

We have booked a Science show, where children will get an opportunity to participate in a science lecture called, '**It takes Guts**'. This is a fantastic opportunity for children to explore and discover, as well as supporting their science in the classroom; activities such as these will help bring science to life which has a massive impact on their learning.

**On this occasion, we have funding to subsidise some of the cost for pupil premium children. The remaining cost will be £2. Please pay this via ParentPay.**

We will be leaving school at **9.00am** and returning by **3.15pm**.

We are travelling by public transport, so please ensure your child is wearing school uniform and suitable footwear for the weather on the day. Children **will have their lunch at the museum, so they need to bring a packed lunch with them, please make sure it is not free**. If your child is entitled to a **free school meal** and you would like to order a school packed lunch please indicate on the slip below.

To ensure that the children have a safe trip, we would like some parents or carers to accompany us and take responsibility for a small group of children. If you are selected to support us and then drop out, we will have to cancel the visit for the children. Due to financial constraints on the school budget, we now do not have enough school staff to use for school visits, so please ensure you are definitely available before volunteering.

Please fill out the consent form below and return it to the class teacher. **All permission slips must be sent in by Thursday 23<sup>rd</sup> June 2022.**

Yours sincerely,  
Year 4 Team  
Miss Lockhart                  Mrs Ramesh                  Mrs Murphy
