Dear Parents and Carers,

During my time at Mayespark, I've have personally tasted some wonderful samosas which have been kindly made for me by parents. We certainly have some talented and generous cooks within our school community! If you are like me and dream of having the skill to make your own samosas at home, look no further!

In preparation for our up and coming Car Boot Sale on 9th March, we are going to be hosting a Friends of Mayespark **samosa making day on Friday 3rd March**. We invite parents and carers to pop along to join us. You are welcome to come for an hour, a few hours or even the whole day – whatever suits you! Young children are welcome and we shall have toys out for them to play with.

The samosas we make will be sold at our Car Boot Sale, so although you will not be able to take any home, you will hopefully leave feeling confident to be able to make your own at home! If you are already a skilled samosa maker, you are welcome to bring along your own samosas to fold in great company!

If you are interested in attending this event, please can you sign up via the school office or return the slip below. A member of the Friends of Mayespark Committee will be in touch.

I am already looking forward to this event and I hope to see you there!

Yours sincerely

Mrs Ige
